

Deputy Headteacher : Key Issues

A programme across the year

Come and be challenged every half term! Re-energise and re-focus your efforts, tackle complex problems and deepen your knowledge and understanding of key educational and leadership issues. Leave each session with valuable resources and a clear route forward.

6 face to face training days - one each half term - covering:

- Setting out a school wide vision and action plan. Identifying strengths and weaknesses through critical analysis and school self-evaluation activities. Learn how to navigate the data and use it to your advantage.
- Strategies for influencing and developing the quality of teaching across the school, including inspiring others, promoting good practice and tackling underperformance.
- Leading and managing others - how to grow middle leadership in the school.
- Developing knowledge and understanding of what makes good practice across a range of issues in order to lead confidently, advise others and manage problems. For example: closing the gap for disadvantaged pupils, learning in EYFS, key issues in the delivery of English and Mathematics, common areas for development identified by Ofsted.
- Writing evaluative reports, presenting to governors, and evidencing impact.
- Increasing personal effectiveness and improving day-to-day efficiency. Work through complex problems with other leaders and re-focus on half termly goals.
- The course culminates with a celebration to which headteachers and governors are invited.

Individual support can be added to the package.
